We Embark...

It is with a bit of sorrow that we, the class of 1952, leave the good ship D.G.H.S., the craft which has meant so much to us during our happy four year cruise on the Sea of Learning.

With a keen sense of anticipation, we boarded our cruiser as freshmen and greeted our fellow mates. As sophomores we attained the rank of midshipmen and then carried out our captains' orders when junior lieutenants.

Now, as we leave our mates and dock in the Port of the Future, we bid them and the crew farewell and bon voyage.

Mary Ann -
You're a

Mary Ann
I'm sure had fun
with you in English!
I also got a lot out of
your speeches!

Plants, flowers, birds, trees, insects, animals—name them all!—
from the lowly protozoa to man himself. Our homo sapiens and
master of these subjects is none other than Mr. Daigh, renowned
biology teacher of D.G.H.S.

For twenty-two years Mr. Daigh has rendered his services not only
as a teacher, but as a special friend of the students, in whom he has
shown keen interest by planning unusual biology club trips. His
ready smile, cherry "hello", and corny jokes are but a few of the
qualities which have contributed to making him one of our favorite
skippers.

Thus, in acknowledgment of his loyal service and untiring pa-
tience, we, the 1952 Cauldron staff respectfully dedicate this book
to Mr. Fred C. Daigh, the head of our science department.

JACK ELZAY, D. Ed.
SUPERINTENDENT OF SCHOOLS

Lord

Admirals

Without the competent administrative staff of Downers Grove Community High School to captain our ship, there would be nothing to keep us from being caught in the under-tow of school problems. To this entire staff, in recognition of its ceaseless efforts to further us on our voyage, the class of 1952 would like to extend its sincere thanks.

Hand in hand co-operation between Mr. Jack Elzay, our Superintendent, and the Board of Education has resulted in excellent relationships throughout the school. It is through their combined efforts that the policies by which our school is governed are established. To these interested and active participants we owe the many privileges here enjoyed at D.G.H.S.

BOARD OF
EDUCATION

Mr. Armstrong, Mrs. Goodell, Mr. Groat (President), Mrs. Wyman (Secretary), Mr. Gregory, Mr. Elzay, Mr. Lewis (not in picture).

Mr. Clarence Johnson, our responsible and understanding principal, has upon his shoulders a great burden. His untiring efforts to steer us into smooth waters and his willingness to help further all worthwhile activities have enabled the "U.S.S. Downers Grove" to log many successful years.

Mrs. Charlotte Andersen, Assistant Principal and Dean of Girls, is known by everyone for her friendly manner. She is deeply interested in the students, and her hand is out to anyone who feels the need of a true friend.

The keen insight and understanding of human nature on the part of Mr. Wayne Guthrie, Dean of Boys, are factors to which many of the alumni can now point as contributing to their success. Mr. Guthrie also instructs one chemistry class.

Custodians - Cafeteria

Each afternoon, during fifth period, the clang and clatter of the first floor push-cart is heard resounding throughout the building. This little vehicle is manned by a member of the janitorial staff. Although this is a minor duty, the custodians perform countless major ones.

Outdoors this busy staff keeps our grounds in superb condition by mowing the lawns, shoveling snow, trimming hedges, and performing other duties, which range from cleaning the furnace to changing a light bulb.

Thanks go to Mr. Leverenz and his capable staff for their continual efforts to keep our school and its grounds "ship shape."

When the bell rings, storms of hungry crewmen scurry for the galleys. The cry for pies and traditional barbecues is met by the efficient cafeteria ladies, who are not only behind a counter this year, but also behind the new wall in our cafeteria. Little known to most students, members of the staff are busying themselves in the galley when most of us are tumbling out of our bunks.

A word of gratitude should also go to the assistants of the galley staff. These are the swabbies who clean the tables and dishes. So let's give a twenty-one gun salute to the able-bodied ladies of our cafeteria.

Football

Downers 7—Arlington Heights 6
Downers opened the season with a thrilling victory over the new member in our conference.

Downers 0—Naperville 13
In the initial home game, a powerful Naperville team handed Downers its first loss.

Downers 7—Riverside 12
With only one minute left in the game, a pass interception by R. B. set up the winning touchdown.

Downers 7—Hinsdale 21
Although Downers outplayed the Devils in the second half, they had to return the "bucket" because of an early margin.

Downers 19—Leyden 20
This hard-fought and bruising battle proved to be a heartbreaker to the Trojans.

Downers 21—York 7
The Trojans' temporary slump was broken by Zagol's and Lyon's defensive strength. The spirited Downers' team was at its best.

Downers 7—La Grange 19
Downers played L.T. on an even basis for two quarters of the encounter. The line play of Hibner, Ogren and Schumacher was outstanding.

Downers 14—Glenbard 0
Through a blinding snow storm, Downers drove to this well-earned victory. This team's ability to handle a slippery, freezing pigskin was their main asset.

Downers 14—Maine 13
Once again Tenney's educated toe kicked the winning margin of the game. Defensive line play by Walker and Lyon helped upset the favored Maine eleven.

As a result of a climactic victory over a favored Maine eleven in the final game of the season, our varsity climbed back into the first division of the West Suburban Conference after a season's absence. To achieve this, the squad staged a sensational comeback after a mid-

season slump that had pulled them far off the pace.

Defensive play highlighted a majority of the games throughout the season. Many of them were very close until they broke wide open in the final periods. Bob "Moose" Lyon and Ed "Tank" Zagol were honored with a position on the All-Conference squads for their outstanding play. Bob Barus, Norm Hibner, Howie McLees, Harvey Ogren, and Joe Schumacher also played well enough to receive mention in the balloting.

This year's squad was comparatively small, numerically. In many games extra uniforms hung in the equipment room for lack of use. However, since quality and not quantity is required for victory, our team compiled a record of which they were duly proud.

A light but fast, scrappy squad was fielded by the underclassmen. The ponies were led by the outstanding play of fullback Bob Prosek, halfback George Mazanec, and tackle Jim Baker. Under the guidance of our two new coaches, Mr. Carstens and Mr. Garrigan, the young gridgers gave a good account of themselves in all nine games.

The 6 wins, 1 loss and a tie posted by our yearling squad for their 1951 season is one of the most spectacular records compiled by a freshman squad in many seasons. The coach, Mr. Riddlesberger, did a creditable job.

Harriers

This year's cross country squad began the season with many returning lettermen conspicuously absent. The team shaped up quickly and began the season by defeating R-B. In their next meet the harriers lost a fluke to Hinsdale. Competing in their best race of the season, Mr. Ingles' boys defeated Arlington Heights by gaining a clean sweep of the first five places. The score: 15-45.

Owing to well-balanced running, York was beaten by a close margin. In the last three dual meets the team floundered and was beaten decisively by L.T., Glenbard, and Maine. The boys had to combat snow in the meets with Maine and Glenbard.

Cheerleaders

Under the able direction of Miss Krajewski, this year's cheering squad, together with their captain, Mary Ellen Finnell, worked many hours practicing new cheers. The merging of the frosh-soph and varsity squads into one unit has contributed to more uniform and effective results.

"All right, Team, LET'S FIGHT!" echoed from the gym walls in an even more voluminous manner this year than before. The reason naturally was our four new megaphones. Their use has not been confined to the cheerleaders, but eager school spectators have often utilized them during exciting games.

Sportswomen

Every fall the school doors of D.G.H.S. swing open to usher in a new school year filled with numerous extra-curricular activities. Of these, one of the more prominent is athletics, and many sports-minded girls of the student body find G.A.A. an excellent organization in which to display their varied abilities.

Eventual membership in Leaders Club is one aim in the minds of many freshman G.A.A. members. To reach this goal, they must go through a period of probation, during which they become "trainees." Final tests determine the girls who will at last become leaders. Miss Krajewski directs this phase of G.A.A.

GROENBOOM
Head of Sports

Heading the list of G.A.A.'s fall activities was the annual play-day, held this year at D.G.H.S. Seven schools were represented, thus offering an excellent opportunity for the girls to compare abilities with the various feminine athletes of other districts.

G.A.A.

February heralded the customary freshmen initiation. The requirements of G.A.A. had been explained previously to the girls, and a certain date had been set, at which time all prospective members of the organization were to have turned in their health cards. Membership in G.A.A. requires that a girl earn fifty service points each year she is a member. These points are received through participating in a specified number of after-school sport practices. In addition to outside service, activity points also offer an opportunity for the girls to gain more credit.

At the Awards Tea in spring, presentations are made to girls who have earned a certain number of service points which exceed the required amount. These awards are in the form of numerals, letters, "I's", and emblems, according to their rank of importance.

Returning members of G.A.A. found speed-ball replacing the traditional autumn soccer in the category of fall sports. Archery, under Miss Krajewski's direction, was also added. Basketball, volleyball, and bowling—another new activity directed by Miss Marsh—were among the winter sports. Baseball and tennis remained the main spring activities.

One of the greatest highlights of all was the G.A.A. dance, "Southern Moon", which was held in April. At this time, the annual presentation of the "Cup" was made. Leadership, outstanding performance in athletics and time devoted, plus membership in the organization are the points considered in choosing the winner. This honor was bestowed upon Karen Pippenger and Ann Lewis.

Directing the G.A.A. Board was Mrs. Meryl Haberman. The officers included Karen Pippenger, president; Audrey Groenboom, vice-president; and Nancy Viereg, secretary. Head of Sports was Andrea Groenboom; her assistant, Betsey Yuill.

The auditorium darkens and a sudden hush envelops the audience. Slowly the curtain opens, and another All-School Play production is about to begin. The play is "Family Circle." Thus, a humorous story of Cornelia Otis Skinner's early life is again retold.

Many situations in this delightful comedy were familiar to all high school students. This, in itself, helped to make the play a great success. One wonders how directress Rigmor H. Katel ever found a cast that fit their parts so well. Nancy Stephens in the leading role superbly portrayed Cornelia.

Student Senators

The 1951-1952 Student Council has just completed one of the busiest of its twenty-one years with officers—Bob Walker, president; Carl McCollum, vice-president; Nancy Viereg, secretary; and Carol Crawley, treasurer.

One representative was elected from every counseling class and Senior English class; several of these members attended the West Suburban League Conference and District meetings at Hinsdale to learn better student government.

During the Armistice Day program a memorial plaque, commemorating the boys who died in World War II, was presented to the school by the Council.

Again this year the Council acted as hosts and hostesses at the P.T.A. Open House, College Night, and Career Conference. The Council's ledger was kept seasonally busy with at least one major event occurring during each time of year. They sponsored the Freshman Party in the fall, the Alumni Dance during the Christmas season, the Turn-About Dance in late winter, and the Senior Social and annual council picnic in the spring. They also purchased new outfits for the cheerleaders and published new student directories.

When the Student Council adjourned this spring, its achievements distinguished it in the log of our school as one of our best legislative bodies.

Sick Bay

Anytime a faculty member or student doesn't feel up to par, he naturally goes to the clinic. Here in the "sick bay," Miss Beck, the school nurse, or one of her assistants will gladly care for any of a variety of ailments.

The assistants are girls who have given up a free period to work in the clinic. They help to keep a record of all students who come there. Of course, for a serious disorder, Miss Beck herself will always take charge.

Along with giving medical aid, Miss Beck has the responsibility of issuing health cards and recording the height and weight of each student.

Parent-Teachers

The main objects of the Parent-Teacher Association are all directed toward promoting the guidance and education of young people at home, in school, and in the community.

At each meeting the parents and teachers join together to discuss and try to solve all the problems that may arise during the student's high-school career. Often outside speakers give helpful talks on some phase of teen-age life.

The P.T.-A. annually sponsors Open House, which gives the parents a chance to informally meet their children's teachers. Tuberculosis Chest X-rays is another of their projects.

Able-Bodied Seamen

"Well, here we are at last!" exclaimed the freshmen as they came aboard last fall. The upper classmen greeted them with the usual pranks, but it soon became apparent to all that these were no ordinary seamen.

They immediately started taking part in the various school activities. Several received parts in the All-School Play and did very well. Others showed an aptitude in legislation through their active work in Student Council.

Both girls and boys quickly joined clubs. Hi-Y, Camera, and Electricity clubs were most popular among the boys. The girls joined G.A.A. and Y-Teens; several were active on the boards of each.

Some prepared entertainment skits for the Carnival and club meetings. The many language groups in school would have felt the absence of these energetic freshmen. Their active participation was especially noticeable at games.

The freshmen boys turned out "en masse" for football, basketball, and other sports, and with a little training, should provide our school with some fine teams.

Within our doors, you, the freshmen of D.G. H.S., will find a world of friendship and work. You will find your voyage through school one marked by happiness and responsibility. Here is a place where each student is important and each has an equal chance.

High Life

Downers Grove Community High School

"Gee whiz! Don't you kids ever go home?" This is a question frequently heard around room 209 after school. Almost every afternoon one can find the editorial board typing, editing, doing make-up and layout work, plus all other jobs necessary to put out a good newspaper.

Twice a month, on the Thursday before High Life comes out, the board spends several hours at the Reporter office—reading proof, setting type, and headlining. This activity gives them some beneficial experience in journalism.

Financial aid for the paper is obtained from the proceeds of candy sales and Daffodil Day as well as the Activity Plan and advertisements from local merchants. Writing these ads keeps the Business Staff quite busy. Because of their energetic work, the High Life has expanded.

We believe that this year's staff, with the aid of Miss Grace Hennis, Miss Betty Lee Chessman, and Miss Velma Dickson has maintained the high standards set by previous High Life staffs; we wish next year's group the same success.

Service Club

Have you been one of the many students who received notices about various things from any of the offices in school? If you were one such person, no doubt it was a member of the Service Club who assisted you.

These helpful students aid the faculty, counselors, and student body alike by helping out in the capacity of student office workers, hall monitors, and lab assistants. Among their various activities are taking phone messages, issuing pass slips and lab equipment, running errands, and numerous other tasks.

The Service Club is not a formal organization, and its members give up their study halls to help out in this way merely because they enjoy it.

Library Club

As it has in times past, the Library Club once again proved its usefulness to the school in many ways.

This club consists of members who are willing to give up at least one study hall a day to help in the library. The responsibilities resting upon these students are comprised of such jobs as issuing books, sorting and filing on the shelves those which have been returned, and generally helping the students and faculty in obtaining special books. The members have been especially helpful in aiding us to find reference books under the new system.

Officers this year were Ronnie Billingsley, president; Arnie Besser, vice-president; and Carol Crawley, secretary. Miss Natzke is the sponsor.

The varsity cagers' struggle to clinch the second-place position in the conference was one which kept the coach, students, and townspeople in constant suspense. The Trojan quintet snatched this position from the Dukes of York in a thrilling finale to their successful season.

"Moose" Lyon, All-Conference forward, provided the scoring punch for the Trojans. He was the first player to be awarded the free-throw trophy. Paul Fister and Norm Hibner, both playing guard position, also earned recognition on the All-Conference Squad.

Many times we in the audience sat spellbound as Don Extrom's long shots arched through the air and swished the nets. Led by Don's shooting and the dependable play of boys like Russ Fister, John Bertotti, Tom Rolando, Ben Tate, Dale Fridley, and Jerry Werneske the Frosh-Soph came up with a season record of seven wins and eleven losses. They defeated Naperville in their initial contest and then lost three straight before returning to the victory trail. The team had a fighting spirit and came back in the second round of play, finishing in a tie for fourth. With high hopes the squad journeyed to Wheaton for the annual Frosh-Soph tournament, but were downed by the Bulldogs from R-B in a thriller, 35-36.

Our Freshman squad played dependably, winning 12 and losing 5.

Checkermen at the Soph party

Midshipmen

The Sophomores as midshipmen proved to be the spirit of mirth while on board our sea-going vessel.

With a will to succeed, these midshipmen enthusiastically plunged into clubs and sports of many varieties. The boys proved to be the backbone of all the Frosh-Soph squads. Hi-Y, Camera, and Audio-Visual Aids appeared to be the most popular of any clubs joined.

The girls, not to be outdone, were active in Y-Teens, G.A.A., and Pep Club, taking a leading part in their activities and contributing largely to their success.

Together the fellows and gals joined the Spanish, French, Latin, German, and Biology Clubs.

The music department wouldn't have been the same without these talented midshipmen whose interest in music made them valuable members of the Band, Orchestra and choruses. The Sophomores also were intensely interested in a social life, as was shown when they made their class party such a great success.

Confident that they will meet with success, the Class of 1954 moves on as Lieutenants into future adventures that will serve them well on the Sea of Life.

Hi-Y

The work of the Downers Grove Hi-Y has been highlighted by a close co-operation with the Hi-Tri Council associated with the La-Grange YMCA. Among the Council's events were a mixed sports night, a dance, a dating panel, a Parent-Youth Clinic, a government day program, and a spring picnic. In addition to these activities the Hi-Y contributed to their perennial projects at D.G.H.S. Among these were the hot dog sales at the football games, the annual horror show at the Carnival, and co-sponsorship of this year's Hi-Y-Teen Dance—"Over the Rainbow."

The club contributed financially and otherwise to various service projects, giving \$150 to the World Service Fund. They considered themselves fortunate for their leadership, both adult and student. Mr. Guthrie and Mr. Cressey were again the advisors of the Frosh-Soph and Jr.-Sr. clubs, respectively. Mr. W. E. Corr gave the club his time and ability in acting as moderator for the Parent-Youth Clinic. Miss Colton and Don Widler of LaGrange gave valuable assistance to both clubs. Chuck Goding was Jr.-Sr. president, and the Frosh-Soph were led by Glenn Powell. Thanks to the gift of time by many club members and to the leadership offered by their officers, the Hi-Y completed one of its most successful years.

Singing

Music might well be the spice of life, or so the choruses under the direction of Mr. William Pohlmann will easily believe. The variety of music sung during the season was enjoyed by all members.

The A Cappella has just completed another successful year of bringing music into the hearts of both D.G.H.S. students and the citizens of this area.

The Christmas program was one of the main highlights of the year. Singing for many organizations during the holiday season also kept the Choir busy. The other main event was the Spring Concert held in May. Several members of the Choir participated as directors and soloists. The A Cappella sang for many other special occasions including a program at Morton's Arboretum.

In B-A Cappella students practice sight reading and rapid memorization of songs. They also join with other choruses for the Christmas program.

Mixed Chorus learns the different musical signs and words and how to harmonize as a large group with many parts singing together. Correct voice projection is also an essential point in their training.

It is through these various musical groups that students learn to appreciate and enhance their knowledge of good music. Mixed chorus and B-A Cappella become the stepping stones for many who have set as their eventual goal A Cappella. Finally, hard work is well-rewarded by distinguished appearances —Baccalaureate, Cap and Gown Assembly, and Commencement being most important to the seniors.

Y-Teens

During the course of years Y-Teens has had the distinction of being the largest organization in school. To explain this, one need only look at the far-reaching number of activities which are offered.

The upper-classmen take a lively part in helping the freshmen girls get acquainted with high school life. Each freshman girl is assigned a "Big Sister," an older Y-Teens' member, who helps her find an interest in many of the activities.

At the Big and Little Sister Tea the girls became acquainted, and the freshmen learned about the purposes and activities of Y-Teens. Next on the calendar was the initiation of new members, which took place at an impressive ceremony.

Two years ago "Father-Daughter Night" was held for the first time. This proved to be such a success that it has become an annual affair. Each girl brings her father to a program presented by members of the club. This is followed by dancing and refreshments. The evening provides a way for the fathers to meet their daughters' friends and to make new acquaintances of their own.

On February 16th, the Hi-Y and Y-Teens jointly presented their annual dance in the gymnasium, which was transformed into a fairyland to carry out the theme of "Over the Rainbow."

To further the ideals of Y-Teens, several inspiring matin services were held throughout the year. The three hobby groups of Y-Teens joined together for these services.

The Charm Club, directed by Miss Schultz, studied ways to improve personal appearance and personality. This club presented its Spring Style Show on April 4th. Clothes for every occasion were furnished by local merchants.

The Social Service Club directed its activities toward helping the community. Each year members collect baskets of food to give to needy families in the village at Thanksgiving and Christmas. The advisor, Miss Fronk, also led the Travel Club, which took advantage of many opportunities to visit various places and events of interest. Because of these features, each girl has a chance to take an active part in the organization.

Trojan

"School days, school days, dear old golden rule days." This familiar tune blasted the usual quietness in our auditorium as an enthusiastic group of Junior boys officially launched the annual Trojan sales at an assembly in February. We were first introduced to these boys as they came bounding across the stage, and soon found ourselves laughing at the humorous skit they presented to launch their sales campaign. For two weeks thereafter these "School Boys" haunted D.G.H.S. students with a constant flashing of receipt books. "Haven't you bought your Trojan yet?" proved a headache to many students but produced the desired results.

The theme of this year's Trojan, "A Student's Notebook," gave opportunity to a larger and more varying content than usual. The magazine was more interesting to most because it was "close to everyone's heart," and in addition, more students had a chance to contribute.

This publication, which has been familiar to Downers' students for twenty-one years, was again in the hands of a talented literary, business, and art staff, headed by Jane Armstrong, editor-in-chief. The contributing staff was instrumental in turning out our talent magazine. Trudy Sievers and her business staff did an excellent job in promoting sales. Members of the advanced art classes handled the art work under the leadership of Myrna Young, art editor, and Miss Velma Dickson, art advisor.

The purpose of Trojan is to give students with a flair for writing anything from stories to jokes a chance to publish their work. Much of the written work done in English classes is submitted for consideration. Of course, students are invited to submit any of their original work done outside of class. An expanded art section also offers artists and photographers a chance to have their work displayed.

Gabbing Gobs

The Varsity Debaters under the able leadership of their coach Glenn C. Olney has just finished a very successful and victorious season. Besides participating in the Metropolitan Debate Union to which they belong, they also debated in several invitational tournaments.

The Varsity squad came in second in the M.D.U. and achieved first place in the Sectional Tournament. This entitled them to enter the state meet. We should be justly proud of them.

The Affirmative team which consisted of Eddie Pechous, Paul Melicha, and Bob Bombaugh won 30 and lost 11 during the season. Bob Walker, Art Barnes, and Bill Bollow won 35 and lost 6 for the Negative team.

The question debated this year was: Be it Resolved that All American Citizens Should Accept Conscription in Time of War. Many hours were spent by members of the squad in obtaining material and practicing speaking techniques before they entered each debate.

The Frosh-Soph Debaters also had a regular M.D.U. schedule. Among the more promising were Ben Tate, Bert Mochel, Dick Newman, Norman Drapelick, Fred Euler, and Richard Johnson.

Those who took Debate as a subject could join the Debate Club, under the direction of Mr. Olney. The objects of this club are to help develop speech, a sense of analysis, and an interest in politics and world affairs.

Dramatis Personae

Channel A.U.D.I.T.O.R.I.U.M.! The picture comes into focus—"Drama Club now presents television varieties!" This program proved a novel way to carry out the usual membership campaign; all students who were interested in Drama Club were invited to attend this show.

Full-fledged membership in Drama Club requires that a student earn 20 points in the course of the year. These points may be attained by participating in club projects such as skits and plays, which all members enjoy at meetings.

Two appealing plays were presented at an assembly in February for DGHS students. One was a comedy, "Luncheon for Six," which depicted a teen-age girl in a dilemma. The other was an intriguing drama concerning a mysteri-

ous murder, "High Window." The club also presented plays in an exchange assembly.

Annually the group attends a play in Chicago. "The Moon Is Blue" at the Harris Theatre was the play chosen for this year's entertainment.

A pot-luck picnic held at Fullersburg plus an initiation ceremony, presented in the cafeteria for all understudies who had earned the necessary points, were two big events of the year.

Jane Armstrong, president; Trudy Sievers, vice-president; Katherine Garnett, secretary; Nina Pence, treasurer; and Douglas Galbraith, point secretary, can be proud of the accomplishments of Drama Club.

Interpreters

The language clubs met during class to enjoy the brighter side of studying and worked together on the party—Worlds Fair.

Miss Howland has brought many interesting slides and records from her visits to France and Quebec, which the students enjoyed during club meetings.

Becoming acquainted with the customs and history of our southern neighbors was the program for the Spanish clubs, guided by Miss Howland and Mrs. Cleveland.

Maps of present-day Germany, made by students, and reports of current political and cultural happenings in Germany comprised the club meetings of Mr. Maas' German classes.

The annual Roman banquet was sponsored by the Latin clubs under Miss Chessman and Mrs. Cleveland, on May 16, honoring the God, Mercury.

Navigators

It's a mathematical impossibility!

Make this exclamation to some member of Math Club and you may find yourself having to retract, for our figure whizzes have been known to solve many involved problems.

It is the practice of this club to help its members find pleasure in mathematics. To achieve this end, Math Club engaged in various activities, such as taking trips to the Planitarium and Museum of Science and Industry. A guessing contest at the Carnival was also a leading activity.

Officers this year were Janice Hume, president; James Banton, vice-president; and Virginia Wenzel, secretary. Miss Clark is the sponsor.

Yeomen

Commercial Club's main objective is to better acquaint its members with the functions of the business world. Programs for the monthly meetings were carefully planned with this aim in mind.

One year of a commercial subject is the only requirement for membership.

Miss Frush, faculty advisor, guided the club; the meetings were planned by Mary Murphy, president; Claudia Chapman, vice-president; Martha Tee, secretary; and JoAnne Dubiel, treasurer.

Projects of the year included the Dime-O-Gram telegram booth, visits to the telephone company and the Wheaton courthouse. A potluck dinner terminated the club's activities for the year.

A. V. A.

"There's a movie in class today!" is a relatively frequent expression heard in our high school halls. The students who show these movies or slides are often taken for granted, but they perform an essential role in school activities.

Through Audio Visual Aids Club and its director, Mr. William Cleveland, interested students are taught to operate the machines and manage the public address system. A training period is provided for the new and inexperienced member in order to assure his capability.

Jim Hubbard, president; Jim Koutny, vice-president; and Lois Agnew, secretary, were the officers chosen at the beginning of the school year. The club was composed of a total membership of thirty students.

Stage Crew

Probably the least known of all participants in outside activities is the stage crew. These lads who work behind the scenes make assemblies, plays, or programs of any kind a success.

As a whole, the boys are chosen from the shop classes by Mr. Lage, who heads the crew. Their work consists of many things, but construction of flats, stairs, and windows, are jobs which require the most frequent attention.

During Carnival time, the busiest undertaking is building special stagings for the acts. The crew must also move props between performances and assume the responsibility for the lighting in all productions. The fly gallery, which is located above the stage, is under the control of the stage crew.

Photographers

On the first and third Wednesday of each month members of Camera Club meet to learn new methods of taking, printing, developing, and enlarging photographs. Camera Club has its own darkroom with the equipment needed to produce good prints. Any student who is interested in photography and would like to take better snapshots is welcome to membership.

Field trips were made to the Morton Arboretum to take pictures of natural life at various periods of the year. Through these trips the aspiring photographers had many opportunities to practice and apply the information they obtained from their meetings. Another trip was made to the LaGrange Camera Shop to visit the laboratory and darkroom.

This year a contest featuring photographs of various phases of school life was sponsored by the Camera Club.

Officers of the Club are Ed Bunting, president; Jim Hubbard, vice-president; and Lena Muzylowski, secretary.

Collectors

The Stamp and Coin Club of D.G.H.S. was organized a year ago to encourage beginning collectors and to offer an opportunity for the more experienced to assemble. At various meetings the members exchange items to enlarge and perfect their individual collections or listen to talks given by more advanced philatelists and numismatists.

Through the efforts of the club's sponsor, Mrs. Dahl, a library of broad scope is being accumulated. Weekly and monthly journals on stamps and coins find their way to 211. The range of the members' collections is surprising. Unique and different methods of classifying and displaying their specimens have been illustrated by the members.

An achievement which made this year's club duly proud was the successful booth managed at the school carnival.

The officers of the club are president, Russ Welker; vice-president for coins, Bert Mochel; vice-president for stamps, Jeannette Willis; and secretary, Dick Capps.

Pep Club

The cheerleaders take the floor and the combined voices of the one-hundred members of Pep Club join with the rest of the supporters to give our team a hearty cheer. This is the main purpose of Pep Club—to promote and maintain good cheering and sportsmanship.

This club is directed by an executive board under the guidance of Mrs. Charlotte Andersen.

Among Pep Club's many activities was the planning of several spirited rallies. Other projects of the club have been the decoration of our football field for some of the games and a pre-game luncheon with the LaGrange girls during the football season.

We hope this comparatively new club will continue to have the same successful results.

Lieutenants

There is nothing so thrilling to the long lost sailor at sea as hearing that familiar refrain, "I see land ahead." Such is the feeling of the junior class as they reach the last lap of their journey. Although there may have been rough sailing, on the whole they have weathered the storms quite well.

The juniors' primary achievement this year was their outstanding scholastic record. Besides being well represented on the honor roll, they maintained an active lead over all the other classes. Their interest in extra-curricular activities plus participation in school clubs have added to their list of achievements.

The University of Illinois tests were again used to determine the students' scholastic abilities. Excellent results were announced.

Perhaps the two most exciting events of the year were choosing the class ring and prom. The juniors chose a very unusual and striking ring. The prom, given by the juniors for the graduating class, was again held at Medinah Country Club—since it previously proved to be a very gala setting.

Thus, the juniors have finally reached dry land and are now ready to undertake the responsibilities of full-fledged seniors.

Diamond Demons

The baseball squad's record was not remarkable, but it was better than average. The pitching staff was built around "Satch" Springborn, who was selected on the all Chicago area and All-Conference teams. Jim Krughoff and Chuck Gates were also selected on the all conference teams. Frosh-Soph baseball was initiated and the Downers squad showed promise for future teams.

Track

The Varsity ended the season finishing fifth in the conference meet, which was won by a powerful LaGrange contingent. After their final encounter the boys elected Jim Spaulding as their Captain for the year.

The Frosh-Soph, led by Fiedler, who broke both shot put and discus records, compiled an adequate record. Many boys showed signs of considerable promise. The squad defeated Naperville and Glenbard, while bowing to Hinsdale.

Mr. Stahl and Mr. Riddlesberger were again the track mentors.

Indoor track was discontinued with hopes for more successful seasons of outdoor track. Although defeated in their first meet with Naperville, the squad came back and defeated Glenbard and Hinsdale. Traveling to the County and Little Four meets, they returned with creditable records and went on to win the Hinsdale Relays title.

The team placed third in the district meet. Their efforts were highlighted by the efforts of five boys who gained the right of entering the state contest. Bill Barry and Jim Lott placed in the high jump, Jim Spaulding in the 440, Dick Pepich in the mile, and Bill Fiedler in the discus.

Golf-Tennis

Ten returning lettermen, led by George Northcott and George Formanek, plus a new golfer, Frank Carter, began the scramble for positions on the 1952 squad. Three intersquad meets were held at Woodridge Country Club in an attempt to screen the best possible men for the final select group.

Because of a new ruling in the W.S.C. only five of the eight varsity golfers can be upper-classmen, thus creating strong competition for the positions. Two non-conference matches with Leyden and Joliet were held before the official opener with York. In all, the boys participated in seven conference meets. The Downers' par busters did well all season and deserve commendation.

The tennis squad was expected to have a most successful year because of the return of six lettermen. These boys, Ed Pechous, Rae Tennery, Bob Walker, Chuck McCann, Bud Bale, and Russ Fister, sparked the team to victory in their initial contests.

The boys started practice early in the spring, not being hindered to a great extent by the weather. Every position on the squad was determined by a pre-season play-off with the lettermen fighting to retain their positions.

Although it was his first year as tennis coach, Mr. Carstens soon gained the respect and admiration of his players.

D-Club

Every boy who earns an athletic letter at D.G.H.S. is entitled to membership in the D-Club. The club holds no regular meetings and has the aspects of an honorary organization rather than an operating group.

The D-winners sponsor the D-Club Dance during the winter. Each numeral winner is entitled to one ticket, and the letter winners are given two complimentary admissions with the privilege of disposing of the extra ticket as they see fit. This year's dance, held in the south end of the gymnasium, was proclaimed a success by all who attended. Mr. Taylo and his staff gave valuable assistance to the boys throughout their planning.

N.A.S.S.

To be entitled to membership in the National Athletic Scholarship Society a boy must earn an athletic letter and maintain a scholastic average of at least 2.5.

Membership is conferred on the boys early in the spring, and they are honored at the spring awards assembly. Each nominee is entitled to purchase a handsome pin of sterling silver or rolled gold upon appointment.

We should all look with respect toward this select group of boys, for they must combine the coordination and abilities of an athlete with the keenness of mind and alertness of a scholar.

Art Club

An extensive program was planned by the Art Club this past year. Besides their usual activities, the club visited the Art Institute to see the Cezanne exhibit.

Under the direction of Miss Velma Dickson, the creation of new West Suburban Conference pennants for the gymnasium was undertaken. Stationery and leather purses were made by the club members and sold at the Carnival. The proceeds will go toward sponsoring more trips.

The officers were Mary Thomason, president; Carol Adams, vice-president; Kay Keast, secretary; and Gloria Nelson, treasurer.

Biology Club

Several trips were taken by the Biology Club with the assistance of Mr. Fred Daigh. These excursions included a fossil hunt. The club movie was "Broken Arrow".

The 17th annual dog show was held in the auditorium on March 28. The many canines were judged by Dr. A. C. Merrick. The dogs were exhibited in eight classes, each having four awards. Forty-two dogs were entered. An exhibition of obedience work was performed.

The officers were Byron Weiss, president; Marilyn Hayden, vice-president; and Bill Fiedler, secretary.

Orchestra

The sweet strains of blended string music may be heard drifting through the decks of our cruiser every day during third period. This sixty-four piece orchestra under the capable baton of Mr. John Charles Svoboda, played a very important part in the music department of our school. Within the orchestra were several ensembles which provided pleasant music and entertainment for many events.

Playing at the beginning and intermission of the All-School and Senior Plays, these musicians were heard by many. Of course, they joined with the rest of the music department in presenting the annual P.-T.A. Christmas Concert, held here in the high school. Twice during the school year the orchestra presented concerts—once during the Winter and again in the Spring season. These concerts, which were free and open to the public, gave many people a chance to hear our instrumental performers.

In the past few years the D.G.H.S. orchestra has really come into its own. The students themselves have adapted readily to the teaching of their director. To those who have followed the progress of our orchestra, it is quite apparent that they are improving greatly with each passing year. Much work was put forth by the orchestra and ensembles, and their performances definitely showed it.

Entering the District meet at East Aurora were Byron Weiss, viola soloist, and Nina Mickloff and Carol Clendening, both violin soloists. They all did a fine job and won good ratings. The entire orchestra participated in the State meet on April 25 and 26 at Champaign-Urbana. This proved to be a very enjoyable and eventful occasion. Also entering competition at this meet were four ensembles including two duets, a trio, and a quartet, plus a soloist. We are very proud of our fine orchestra.

Marching

What would our football games be without the band? Many hours of practice are needed for the band to put on the intricate maneuvers performed at all home games. Also, during basketball contests one can hear a fast march or the school songs drifting over the noise.

Throughout the span of the school year the band presented concerts for the public's benefit. On holidays, when a band was needed for a parade our musicians volunteered. The band also presented assemblies for the Downers students. They provided music at the graduation ceremonies and represented Downers at other conference schools in exchange assemblies.

The band as a whole was entered in the state music contest. Besides the entrance of the entire group, the usual contingent of solos and ensembles took the annual trip to the contest. These talented performers began concentrated practice following the Christmas holidays. All contestants won a superior rating in the district, held at Aurora. In all, this has been a banner year for the D.G.H.S. band.

January Thaw

Each spring the graduating class presents a play in which the seniors are the actors and crewmen. Chosen as their final curtain call was "January Thaw," a comedy by William Roos adapted from the novel by Bellamy Partridge.

The play enacts a humorous situation of two families trying to live under the same roof. As mother and father of one of these families, Julie Kushner and Milt Reinke gave a convincing performance. Uncle Walter, played by Jim Montgomery, was the old timer with a scintillating wit. These were just a few of the characters which added color to a comedy that proved to be one of the most successful plays presented.

Good Citizenship

Honesty, dependability, leadership, and service—these are the qualities upon which the D.A.R. award is based. It is indeed an honor for any senior girl to achieve such recognition.

Upon the graduating class and faculty rests the job of choosing the nominees. This is first done by a senior vote, from which the names of the three highest are turned over to the faculty. In the final analysis, the faculty are the judges.

Caroline Nadelhoffer, Sheila Dungan, and Barbara Dickson, received the distinction of being considered in the final voting. Caroline was the ultimate victor.

Honor Students

A symbol of knowledge, the Golden Torch emblem of National Honor Society, was presented to forty seniors during the May first assembly. This was the coveted award toward which the students had so diligently worked.

Yes, it is an honor to be awarded membership in this society, for its requirements are quite inclusive. They consist of a record of excellent work in scholarship, character, leadership, and service.

Fifteen per cent of the senior class with the above qualifications and ranking in the upper third are chosen by faculty members to join National Honor Society.

Quill and Scroll

The highest honor that can be bestowed upon a senior who has done work on Cauldron or High Life is membership in Quill and Scroll. A national organization, Quill and Scroll was originated for the purpose of furthering an interest in writing among high school students.

Seven members from Cauldron staff and seven members of the High Life board were awarded this honor at the annual assembly in May. The students, in addition to being in the upper third of their class, were to have shown outstanding work in writing, editing, or business management. They must be recommended by the faculty advisor of the publication on which they worked, and must also be approved by the Society's Executive Secretary.

Writers of the D.G.H.S. log are we, the 1952 Cauldron Staff. With the "Cruise of the Year" chosen as the theme of our book, we proceeded to undertake the first project—namely that of preparing the dummy. This included art work, pictures, and skillful presentation of stories by the literary staff.

In late November an exceedingly successful sales campaign began with Martha Tee selling 141 books for an all-time high. This led the way to sales of over 940 copies all-told. Thus, throughout the year there were many tasks which the staff was called upon to complete, in the gradual development of a year book.

The Staff wishes to express its appreciation to the Root Studios, Pontiac Engraving and Electrotpe Co., and Rogers Printing Co. for their assistance. We also want to thank Mr. Maas for his invaluable aid in reading and checking our copy.

Deck Formal

Dancing under the painted clouds of the Medinah Country Club ballroom was the highlight of the year for juniors and seniors at the Spring Prom. The 1951 Prom was held on Saturday, May 5.

Music was furnished by Buddy Everett and his orchestra. Additional entertainment was planned and presented by the juniors. Jane Eaton, Phyllis Rakovich, and Phyllis Knickrehm rendered a song; Bill Bunge played the piano;

and a barbershop quartet of John Lehmann, Sherril Milnes, Phil Crowder, and John Shoemaker sang during the intermission.

The refreshments of cookies and punch were supplied by the junior girls and served throughout the evening.

Programs, tucked away with pressed corsages, are the only reminders left of the glamour of the prom.

Captains

The voyage is over for the members of the class of 1952. We have enjoyed our happy years on board the ship D.G.H.S. We now are docked at the Port of Opportunity, confident that the knowledge gained on the Sea of Learning will stand us in good stead.

Fondly, we remember the dreams that were cherished when we embarked four years ago as Freshmen—eager to learn "the ropes." Sophomore and Junior years found us working hard to maintain the principles and ideals set by our predecessors. Sure, we have had fun, but most of all we have had many valuable experiences that will mean much to us after graduation.

Unwilling that any experiences should go untried, we have participated in every athletic and academic field. Presiding as our class officers were Roger Vieth, president; Bob Barus, vice-president; Martha Tee, secretary; and Wayne Hubbert, treasurer.

Many activities such as football, basketball, Carnival, and club work have held the interest of our class throughout our high school career.

As we walk down our final gangplank to graduation and finish our ship's duties, we do so with the hope that the new captains and recruits will find their cruise as eventful.

Mary
The years
I've known you
sure have been fun.
Keep up being the
sweet "brain" you
have been.
Betty Smith

I hope you really
learned something
in foods but I am afraid
you didn't. Good luck
anyway. Wally
"58"

Mary Ann,
Here's to a girl who will
get a head in the world
so why not get a body.
You'll be alright if you lay
off the booze and boys.

Your friend
The smiling Irishman
Dave
"Duke"
